PARENT TEACHER FELLOWSHIP

Romans 12:4-6 reads in part, For just as we have many members in one body and all members do not have the same function ... we have gifts that differ according to the grace given to us, each of us is to exercise them accordingly.

The Parent Teacher Fellowship's (PTF) objective is to enhance the mission of TCPS by promoting a cooperative relationship between the parents, teachers and school administration, providing additional resources and encouragement to the teachers and staff, and providing a spiritual covering through prayer for the students and staff.
