Uniform sweatshirts

Starting next school year, we will be making an adjustment to one aspect of our uniform dress code. The outerwear section will be changed to limit the hoodies and sweatshirts that are allowable Monday through Thursday. There will now be four acceptable options: a fleece hoodie, a crewneck, a performance hoodie, and a heather navy hoodie. All the current options on Land's End will remain the same including their outerwear options. The new sweatshirts and hoodies are not required. You may choose to wear the sweaters or pullovers from Land's End. This is only required if you plan on wearing a sweatshirt or hoodie Monday through Thursday. On Friday's, jeans will now be allowed with any TCPS sweatshirt, hoodie, or t-shirt. The sale will continue through May 25th and orders will be available to pick up on June 15th or at orientation in August. The Talon Shop will begin carrying all four versions in the fall for an easy shopping experience. Below is a link to the pre-sale. If you have any trouble with your order please let us know. For anyone needing to purchase resale uniforms or shop our Talon Shop this summer, it will be open on June 15th and July 15th from 10 am- 1 pm.
